

8th Grade Parents,

The breakfast tickets have been sent home with your children today. The tickets cost \$7 dollars each and there is no difference between an adult or child ticket price. Each student is responsible for selling 40 tickets.

The money needs to be returned to me no later than Monday November 14th. The sale of the tickets is what helps us purchase the supplies needed for the breakfast so please return the money as soon as possible. If you need more tickets than your 40 please give me a call (804-5981) and Ill be more than happy to get them to you.

If there are parents who would like to volunteer their time we can make arrangements to sale tickets outside of church after Saturday and Sunday masses as well as after school. This can be a way for the students who have limited family to sale their tickets. It can also help the increase in sales overall given the students more money to spend on the trip and eliminate the need for any further fundraising if ticket sales are high enough. Parents interested in this option please email me at dtigner@comcast.net.

We will also have a bake sale during the breakfast. Each 8th grade student is responsible for bringing TWO HOME BAKED items for the sale. We please ask that no store bought items be brought because we do price the items at a slightly higher rate than items that can be purchased at the store.

Thank you,
Dina Tigner
