

## HOMWORK PROCEDURES

1. All "H" must be signed. *H = Homework*
2. All homework must be completed neatly and corrected for any errors made or found on the pages.
3. All sentences must be neatly written and punctuation and grammar must be correct.
4. Parents should take a pro-active part in their child's homework.
5. Check how your child is doing and help them with areas of difficulty.
6. Provide ample time to review old material, as well as the new material.
7. Keep all vocabulary drill words and sentences for review purposes.
8. Keep all rule papers and math parent notes for reference.
9. Check your child's seatwork papers to see how your child is doing on daily work.
10. Make sure your child realizes the importance of turning in homework on time and the importance of doing homework.
